repeat
(Verse 1)

Consider all the works Your hands have made

The passion of our great Creator King
C G
Whose glory shines in all created things *(no pause)*
(Verse 2)
And on the Earth, for nation, tribe and tongue
Amazing grace, extends to every one
You love them all, it was for these you died
That all who call, will find eternal life

(Chorus)
And I will walk with You,
And I will find the way to show Your Word is truth
And none shall fear, but all will know
The glory of the Father's endless love
(Verse 3)
Give me the faith that makes a mountain move, and to believe the gospels power to save.
To run this race, to run and not grow faint, and some to save, in Jesus' mighty name
And I will walk with You,
And I will find the way to show your Word is truth
And none shall fear, but all will know
The glory of the Father's endless love
