

**He Will Not Remember (G)**  
**Robin Mark 2010**

**Verse 1**

G  
I have searched the depths of Your great mercy  
D  
And there I learned the glory of Your love

Grace poured down right from the day you found me  
D7 G  
Grace that flowed from Heaven's throne above

**Verse 2**

I was captive to my shame and weary  
Lost and helpless, trapped and sinking fast  
I cried out and, O, You stooped to hear me  
Opened up my future, closed my past

**Chorus**

G D  
For He will not remember, and He shall not recall  
G C G D G  
For the former things are passed away, and He has done it all

**Verse 3**

Helpless in the face of Your great power  
Speechless in the presence of Your Word  
So amazed this broken empty vessel  
You thought worthy of your wondrous Love

**Refrain**

C G D D7 G  
Who can save a wretch like me? Or change my fallen ways?  
C G D D7 G  
Jesus name above all names, the only one who saves
