

You Said (Robin Mark, Andy McCann)

Bb Capo 3

C G Dsus Em
This world is broken, a ship with no anchor
C G Dsus Em
Sailing through space always unchartered waters
 C D C D
Yet we seem to know where we want to go
 C D Em
But we don't know why we're here

Millions get lost on their own little journey
Some only stay for a few passing moments
And the only thing that we know for sure
Is some day our journey ends.

Chorus 1 light pulse both guitars in sweetly
 G G/C
But You said You are
 G Gmaj7
The resurrection and the life
 Em Bm D
And whoever believes in you shall never die.

And you said, that by Your word and power
Even though we die, we'll live forevermore

 Bm7 Em Bm7 Em D Em D
And I believe, I believe, I believe in You

G D Em C G D Em C
You are the way, You are the truth, You are the life everlasting
G D Em C G D Em C
You are the light, You are the word, You are the Son of the Father
